FORLAND
SAFAARI

The Joy of
the Journey

The background of the advertisement is a photograph of the interior of a vehicle, likely a truck or SUV. It shows a close-up of a dashboard area with a large, horizontal air vent. The vent has a central control knob with a red triangle icon. The surrounding panels are a dark, possibly black or dark brown, color. A red diagonal graphic element cuts across the image from the bottom left towards the top right, serving as a background for the main text.
