

THE ALL-NEW
UNI-T

Dimensions & Weight		
LxWxH	mm	4,515 x 1,870 x 1,565
Wheelbase	mm	2,710
Seating Capacity		5
Luggage volume	L	350~1,185
Engine & Transmission		
Model		1.5L Blue Core NE15TGDI
Max. Power	ps	179.5 ps (132kW) @ 5,500 rpm
Max. Torque	N-m	300 N-m @ 1,250~3,500 rpm
Fuel Tank Capacity	L	55
Transmission		7DCT shift-by-wire, Sport/Eco/Normal mode
Recommended Fuel		Gasoline, 92 RON or higher
Steering Wheel		
• Power steering assistance (Eco, Normal, Sport)		• 4-way adjustable
• Leather-wrapped		• Multi-function control
Suspension, Brake, Tires		
MacPherson / Multi-link • Ventilated disc / Solid disc • 245/45 R20 Alloy Wheels		
Exterior		
• LED Exterior Lights: DRL, Headlights, Tail lights, Positioning Lights, Rear fog light		• Airship-shaped rear spoiler with sport LED 3rd brake lamp • Chrome tip quad exhaust • Tailgate: Electric control with anti-pinch and memory setting • Side Mirror: LED Turn Signal Lamp + Mirror heating + Electric folding
• Panoramic glass roof		
• Electric hidden door handles		
• Headlights: Auto headlight + H/Light height adjustment + Turn off reminder +		
• Follow me home + Intelligent high beam		
• Wipers: rain-sensing		
Interior & Convenience		
• Leather and chrome shifter		• Electronic Parking Brake with Auto Hold • 2 USB charging ports • Center armrest cool box • Windows: One-touch up and down (4 windows) + anti-pinch
• 15W wireless charger		
• Ambient light		
• Seats: Leather +		
power adjustable front seats		
Audio & Telematics		
• LED Digital Screens: Instrument Cluster + 10.3" Infotainment		• Bluetooth with hands-free function • 6 speakers • Mirror Link • Voice Command- Telephony + Windows + Radio + A/C
• Radio		
• USB port		
• Apple Carplay		
Safety & Security		
• 6 Airbags		• 6 front sensors + 6 rear sensors • Rollover Mitigation (ROM) • Downhill Brake Control (DBC) • ABS + EBD + Dynamic Brake • ISOFIX
• Electronic Stability Control (ESC)		
• Dynamic Brake Function (DBF)		
• Hill Ascent Control (HAC)		
• Speed-sensing auto door locks		
• 360 surround view camera with recording		
Changan Safe-Tech		
• Integrated Adaptive Cruise Control		• Auto Parking Assist 5.0: (Self-search + Auto docking + Automatic parking out + Key Remote Parking) • Lane Keep Assist (LKAS) • Lane Change Assist (LCA) • Traffic Jam Assist (TJA) • Blind Area Monitoring • Side Exit Warning • Key Remote Valet Parking
• Forward Collision Warning (FCW)		
• Autonomous Emergency Braking (AEB) - City/Inter-Urban/Pedestrian Detection		
• Blind Spot Detection Warning (BSDW)		
• Rear Cross Traffic Alert (RCTA)		
• Rear Collision Warning		

THE ALL-NEW *UNI-T*

1.5-liter Blue Core Turbocharged Gasoline Direct injection (TGDi)
Max power: 179.5ps
Max torque: 300Nm

7-speed Dual Clutch Transmission (DCT) Electronic Shift with Drive Modes (Normal, Eco, Sport)
Enjoy a smooth acceleration experience in the Uni-T with its advanced transmission system that delivers remarkable shifting accuracy.

Blue Core Technology
Blue Core has three key driving characteristics: Powerful, Clean and Quiet. The optimized internal combustion system is capable of reducing fuel consumption by 20% and carbon emission by 40% without compromising the performance of the vehicle.

Borderless grille + LED Starship DRL + LED Headlight

245/45 R20 Alloy Wheels

Panoramic Glass Roof + V-shaped Rear Spoiler

Streamlined horizontal belt design

Sleek Starship-designed DRL

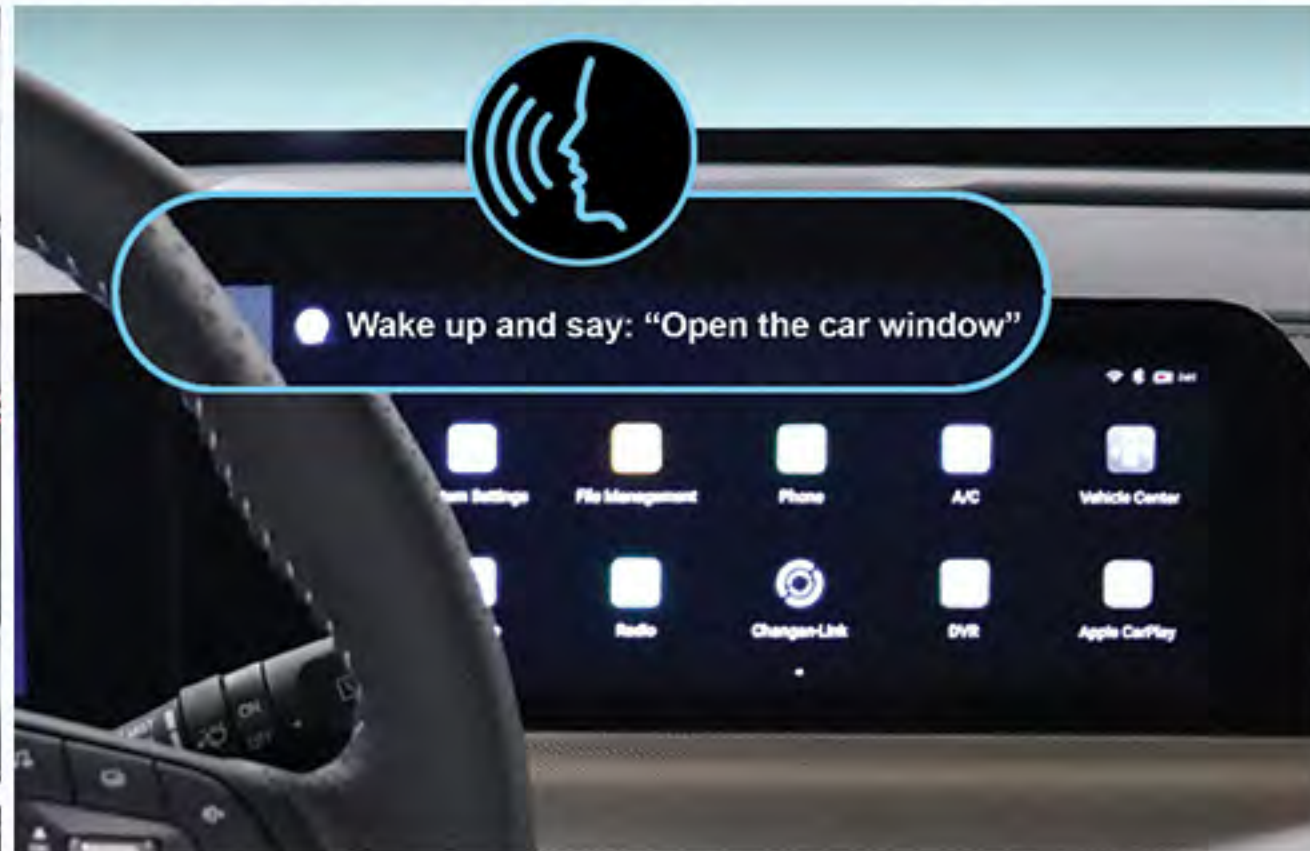

Hidden Electric Door Handles

Auto aircon with PM2.5 Air Filtration System

Cool the cabin automatically and keep it clean with the Uni-T's ionizer and PM2.5 air filtration system that efficiently filters particles up to 2.5 microns.

Voice Control

With a simple voice command, you can:

- Turn the aircon on and off
- Open or close windows and sunshade
- Make and receive calls
- Turn on the audio system
- Change radio station or playlist
- Raise or lower volume

Automatic Parking Assist (APA) 5.0 Parking System

Parking is a cinch in the Uni-T. Turn on the Auto Parking System, and the Uni-T will automatically maneuver in a parking space within 20 meters and complete the parking on its own.

10.3-inch Infotainment Screen + Apple Carplay and Mirror Link

Wireless Charging

Rear A/C Vents + USB Charging Ports

Integrated Adaptive Cruise Control (IACC) with Traffic Jam Assist (TJA)

Uni-T's IACC is equipped with Stop and Go function that lets your vehicle run safely according to the speed you set, and automatically slows down and stops if the vehicle in front also stops, and moves again if the vehicle in front accelerates or changes lane. Working in tandem with the TJA, you'll be able to follow the vehicle in front safely and stay in your lane when traffic's heavy.

Lane Departure Warning (LDW)

Warning light, audible alert, and steering wheel vibration will be activated by the LDW if it senses that you're changing lanes without using the turning light.

Lane Keep Assist (LKA)

The LKA helps the vehicle detect lane markers*, and when it senses that you're falling below minimum distance from the left or right side markings, the system gently but noticeably counter steers to keep the vehicle in lane. This also sets off an alarm if your hand leaves the steering wheel for over 35 seconds and the vehicle suddenly changes lane.

**The LKA can only detect lane markings with visible paint stripes on either side of the road where the vehicle is running; curb markings cannot be detected.*

360° View Camera with Drive Recorder

Equipped with 4 high-definition wide-angle cameras, the system not only displays the environment around the vehicle in real time, but also records high-definition images of four directions at the same time. In the event of sudden braking or collision, the system can automatically record 30 seconds of video that can be used as evidence to determine who has responsibility of the incident.

Remote Valet Parking

Use the smart key from outside the vehicle to carry out one-key Remote Valet Parking.
